Refuse Bin

A close-up photograph of three wine glasses on a light-colored wooden table. The glasses are arranged in a cluster, with one in the foreground and two slightly behind it. The glasses are empty and have a classic shape with a wide bowl and a long stem. The wooden table has a visible grain pattern. The background is softly blurred, showing more of the table and some greenery.

A photograph of children running on a checkered floor next to a modern building with large glass windows. A girl in the foreground wears a dark lace dress and a flower crown, while a boy in a light blue shirt and bow tie runs behind her. The floor is made of large, light and dark grey square tiles. The building has a series of vertical black frames for the glass walls. In the background, there are green hills under a bright sky.
